

PREVENTION OF PRESSURE INJURIES

Poster Competition

Teams:

- Hospital Captains:
- Rest Home Captains:
- Night Staff Captains:

Your mission is to create a poster that describes the actions you can take to prevent Pressure Injuries.

Be positive and creative in your poster presentation but you must follow the Policies and Procedures of the organisation and the principles for maintaining good skin integrity

The progress of you undertaking this challenge will be recorded by your captains by taking photos of you making the posters, plus, photos of the finished posters will be entered in the NZ Wound Care Society Photo Competition

CAPTAINS:

WHAT YOU NEED TO DO

- Get resources from Staff Educator, magazines, look at the organisations policies, procedures, care plans
- If you need pictures printed from the internet, see Staff Educator
 - Involve as many staff members as you can
- Look at the display in the staff room to gather information
 - Brainstorm with your team
 - Delegate!!!
- Take photos on the tablets to record the groups progress
- If involving residents, you must first have RN gain consent from the resident.
