There is More Than Meets the Eye...

Assessing for and Preventing Pressure Injuries in Patients with All Skin Tones

Available on demand from
Friday, 22 November 2024

Join us for Stop Pressure Injury Day 2024 to gain knowledge in proper skin assessment across all skin tones to strengthen pressure injury prevention in your practice.

The learner will be able to:

- Discuss the importance of a critical evaluation of skin at risk for pressure injury
- Describe the importance of the use of multiple physiologic senses in examination of the skin
- Identify interventions for pressure injury prevention

This webinar will be available **On-Demand** for all registrants

MEET THE SPEAKER:

Dot Weir RN, CWON, CWS
Saratoga Hospital Center for Wound
Healing and Hyperbaric Medicine
